

| Policy | Continuous Disclosure |
|--------------------|---|
| Purpose | The purpose of this policy is to ensure that T&G complies with its disclosure obligations in a way that allows all interested parties equal opportunity to access Material Information concerning T&G in a timely manner. |
| Scope | This Policy is a group-wide Policy and applies to T&G Global Limited (the Company) and all its majority-owned / controlled subsidiaries (together T&G or the Group). |
| Principles | <p>1. Continuous Disclosure Obligations Section 10 of the New Zealand Stock Exchange (NZX) Listing Rules requires that, subject to certain limited exceptions, all Material Information regarding T&G must be made available to the public through a NZX announcement immediately following T&G becoming aware of that information. Material Information is any information, that a reasonable person would expect to have a Material Effect on the price of T&Gs listed securities.</p> <p>2. Key Principles</p> <ul style="list-style-type: none"> Any person that becomes aware of a potential material information that is not already available to the public must follow the procedure set out in this Policy; No employee or associated party (consultants, advisors etc.) should comment publicly on any Material Information concerning T&G or any information that is confidential to T&G; Other than subject to strict confidentiality arrangements approved by senior management, Material Information must not be disclosed to any person prior to being disclosed to the NZX, or generally becoming available to the market; T&G will immediately notify the NZX of any Material Information it becomes aware of that is not the subject of an exception under the NZX Listing Rules; All disclosure of Material Information must be approved by the CEO of T&G prior to release to NZX or the Market. In the absence of the CEO approval of the FRIC chair is required. <p>3. Procedure</p> <p>a) Identify Material Information It is the responsibility of Directors and relevant managers to identify and report any matters that might need to be disclosed to the NZX. Disclosure of potential Material Information will, at a minimum, be discussed at every Board of Directors (Board) and Executive Meeting.</p> <p>b) Report Material Information Any information that is or may be Material Information must immediately be disclosed to the Company Secretary of T&G. The Company Secretary will discuss the matter with the CEO and / or the Board.</p> <p>c) Approval The following matters are to be referred to and approved by the Board before disclosing to the NZX:</p> <ul style="list-style-type: none"> Announcement in relation to the full year / half year results; Statements relating to the future financial performance of T&G; Statements regarding any other significant matter. <p>d) Board Decision Material Information may arise because of a decision of the Board (i.e. a decision taken at a meeting giving rise to Material Information coming into existence). Unless an exception applies, the obligation to disclose will generally arise once the Board has decided on the relevant matter. This will usually be anticipated and a release can be prepared in advance.</p> <p>e) Disclosure Decision The Company Secretary will coordinate all NZX communications, upload the material Information to the NZX and approve the disclosure to the public (via T&G's website). NZX confirmation must be received before an Authorized Spokesperson may talk publicly about the Material Information.</p> <p>A copy of the announcement will be promptly circulated to the Board, Executive Managers and other relevant personnel after it has been released.</p> |
| Authorities | <ul style="list-style-type: none"> Board of Directors of T&G Global (Board): Authority to review, approve and make changes to this Policy; Company Secretary: Authority to review and make minor changes of this Policy. |
