

T&G Global Ltd.
1 Clemow Drive,
Mt Wellington, Auckland
New Zealand

23rd May 2018

Dear Valued Customer

As you will be aware, NZTA have recently announced that SH1 between Picton & Christchurch has been re-opened allowing road users for 24-hour access. Although the road has been opened, there are a few areas where traffic has been restricted to one lane with stop/go lights in place; this does create delays and adds to drive times.

This is pleasing news as T&G Transport is now in position to lift the EQ Levy effective 1st June 2018.

We thank you for your patience during this period and trust that the road remains opens over the coming winter season. If the road is closed for a prolonged period that disrupts our network, T&G Transport will look to re-instate the levy. Customers will be advised if we are faced with this situation.

If you have any questions please do not hesitate to contact our team.
