

Edward Turner Horticulture Futures Grant Terms & Conditions

Focus

Horticulture, Science, Business tertiary students

Level of Study

Postgraduate

Purpose

The **Edward Turner Horticulture Future Grant** ('the Grant') is a \$10,000 grant to support a research project, or further study (such as Masters, Honours, or second degree) of a post-graduate tertiary student who intends to pursue a career in the Horticulture industry (within Horticulture, Science or Business career disciplines).

Background

To celebrate T&G's 125 Year anniversary milestone, and in recognition of the Turner family's role as the business' original founder, T&G Global are offering a \$10,000 grant to support and recognise a post-graduate tertiary student who has the potential to be a future leader and innovator in the horticulture industry, and who possesses a passion, commitment and desire to be part of its future.

Value and Tenure

The value of the Grant is \$10,000 and will be awarded annually at T&G's sole discretion.

Eligibility

- Applications are open to all post-graduate tertiary students who have completed at least one tertiary-level degree in NZ.
- Applicants must be NZ citizens or permanent residents.
- Applicants must:
 - be enrolled to study a postgraduate qualification (within Horticulture, Science or Business disciplines) in 2023, *or*
 - be undertaking a research project related to the horticulture industry.

Selection Criteria

Key to the selection process will be the applicant's ability to demonstrate a passion and commitment to work in the horticulture sector (all career disciplines).

Academic merit and the intended research or planned study will also be considered.

Selection Panel

The recipient of the Grant will be chosen by T&G Global's appointed Grant Selection Panel, and its decision is final and no correspondence will be entered into.

The Grant Selection Panel has the right to refrain from awarding the Grant in any year if there are no suitable applicants.

Terms & Conditions

- Applications open on 6 March 2023, and close on 31 March 2023, with the successful recipient announced on or about the 19 April 2023.
- Applicants must complete an application form and agree to these terms and conditions.
- Applicants must exhibit a passion for the horticulture industry and a desire to pursue a career within it.
- The Grant is a \$10,000 fund to provide financial support for the recipient to take their next step in their learning/qualifications (ie specialization, research project, thesis, pursuing an Honours or Masters). At T&G's discretion, the fund may be paid in instalments or as a lump sum to the recipient.
- The Grant must be used for the purposes stated in the recipient's application within the year it is received.
- The successful recipient must be a New Zealand citizen or a New Zealand permanent resident.

Conditions of the Grant

The grant may be held in conjunction with other scholarships, bursaries or awards, so long as those scholarships, bursaries or awards permit co-tenure.

The successful applicant must:

- Provide updates to T&G on progress of their course of study/project in July and November in the year the Grant is awarded.
- At the conclusion of the year the Grant is awarded, present a summary of their work/study to T&G.
- Be involved in publicity about the Award and the call for applications for the following year (including stories, speaking ops, photo/video as required within reason).
- Alert T&G if the intended study, project or reason for the funds being awarded is abandoned, cancelled or does not progress for any reason. It will be at T&G's sole discretion whether an alternate fits the intended purpose of the fund and the Grant and funding may be withdrawn if not.
